    - **Loans in the amount of EUR 1,000,000.00 and above:** interest rate for each individual loan is determined by HBOR (for direct loans) or by commercial bank (for loans via commercial bank), where the so determined interest rate can be subsidised/reduced depending on available funds of the Ministry of Finance or HBOR:
      - for micro, small and medium-sized enterprises (SMEs):
        - by 3.00 p.p. if investing in special areas of the Republic of Croatia and/or RDI,

---

Reference interest rate (RIR) is the base rate (calculated and published by the European Commission), increased by a certain number of basis points (margin) that depend on the client's rating (credit rating) and the assessment of collaterals, in accordance with the Communication from the Commission on the revision of the method of determining reference and discount rates (OJ C 14, 19.1.2008). It is applied for the calculation of aid in loans approved with promotional interest rates. The range of valid RIR is available in the Information on Base and Discount Rates and Reference Rates.

<sup>6</sup> The criteria for determining investment types are defined by the General Eligibility Criteria that make a constituent part of this programme.

- 
- by 2.50 p.p. for exporters<sup>6</sup>
  - by 2.0 p.p. if investing in agricultural activities and/or green projects and/or digitalisation and/or social infrastructure and/or defence activities,
  - by 1.50 p.p. for other investments
  - for mid-caps and large enterprises:
    - by 2.00 p.p. if investing in special areas of the Republic of Croatia and/or RDI,
    - by 1.50 p.p. if investing in defence activities and/or are exporters,
    - by 1.00 p.p. if investing in green projects and/or digitalisation and/or social infrastructure and/or for other investments
  - **Regardless of the amount, on loans for the purpose of purchasing a business share in a foreign company or for the purpose of capital investment in a foreign company:** interest rate is determined by HBOR (for direct loans) or by commercial bank (for loans via commercial bank), where the so determined interest rate can be subsidised/reduced by 1.50 p.p., depending on available funds of the Ministry of Finance or HBOR.

In certain cases, the above interest rates and/or interest rate reductions can differ from the above depending on the limit of maximum possible amount of interest subsidy and/or aid rules.

The maximum possible amount of interest rate subsidy for an individual loan is generally EUR 1.000,000.00<sup>7</sup>.

It is not possible to combine subsidies from the funds of the Ministry of Finance and/or HBOR and/or NRRP.

## 7. Interest rate on loans with subsidy under the NRRP<sup>8</sup> funds:

- For borrowers and loans that meet the conditions prescribed by the Operational Programmes for the Implementation of Financial Instruments under the NRRP, part of the regular interest rate is subsidised by HBOR, in its own name and for the account of the Republic of Croatia, as follows:
- For investments in green and/or digital transition: up to 75% of regular interest rate, but to a maximum of 3.00 p.p. (for micro, small and medium business entities), or to a maximum of 2.00 p.p. (for mid-caps and large enterprises)
  - For investments in special areas of the Republic of Croatia and/or RDI (research, development and innovation): up to 65% of the regular interest rate, but to a maximum of 3.00 p.p. (for micro, small and medium business entities), or to a maximum of 2.00 p.p. (for mid-caps and large enterprises)
  - For other investments in competitiveness and resilience: up to 50% of the regular interest rate, but to a maximum of 3.00 p.p. (for micro, small and medium business entities), or to a maximum of 2.00 p.p. (for mid-caps and large enterprises)

Whereby the regular interest rate is determined as follows:

---

<sup>7</sup> As an exception, in case of projects exceeding EUR 20,000,000.00, with a repayment period longer than 10 years, which significantly contribute to the achievement of HBOR's strategic goals, an interest subsidy can be approved from the funds of the Ministry of Finance, or from HBOR's funds (only for HBOR's direct loans) of up to EUR 2,000,000.00.

<sup>8</sup> NRRP – National Recovery and Resilience Plan

- **In the case of on-lending through a commercial bank**, the interest rate is determined by the bank in accordance with its internal documents
- **In the case of direct lending to a borrower:**
  - **On loans in the amount of up, and including, EUR 400,000.00:**
    - in accordance with item 6 of this programme, or at the level of the reference interest rate (RIR) for an individual borrower if the RIR is higher than the interest rate from item 6 of this programme
  - **on loans above EUR 400,000.00:**
    - interest rate for each individual loan is determined by HBOR
  - **On loans to business entities investing in the recovery from the consequences of earthquake and for the economic development of Sisak-Moslavina County:**
    - in accordance with item 6 of this programme, or at the level of the reference interest rate (RIR) for an individual borrower if the RIR is higher than the interest rate from item 6 of this programme

The highest possible amount of interest subsidy for a single loan is:

- EUR 500,000.00 for micro, small and medium-sized enterprises
