³ The interest rate is already reduced by the subsidy from the Ministry of Finance. The subsidy from the Ministry of Finance is awarded in relation to the RIR and can equal up to a maximum of 5.00 pp.

RIR - Reference interest rate is the base rate (calculated and published by the European Commission), increased by a certain number of basis points (margin) that depend on the client's rating (credit rating) and the assessment of collaterals, in accordance with the Communication from the Commission on the revision of the method of determining reference and discount rates (OJ C 14, 19.1.2008). It is applied for the calculation of aid in loans approved with promotional interest rates. The range of valid RIR is available in the Information on Base and Discount Rates and Reference Rates.

⁴ The criteria for determining investment types are contained in the document General Eligibility Criteria that is a constituent part of this programme.

-
- **HBOR's direct loans up to EUR 1,000,000.00:** 3.00% per annum, fixed³
 - **loans via commercial banks in the amount of up to EUR 1,000,000.00:** up to 3.00% p.a., fixed
 - **loans of and exceeding EUR 1,000,000.00:** the interest rate for each individual loan is determined by HBOR (for direct loans) or by the commercial bank (for loans on-lent via commercial banks), whereby the interest rate determined in this way may be subsidised/reduced⁴ depending on the available funds of the Ministry of Finance or HBOR:
 - for micro, small and medium-sized enterprises (SME):
 - by 1.50 percentage point if they invest in special areas of the Republic of Croatia and/or defence activities and/or are exporters,
