

## Special SME Segments Investment under the National Recovery and Resilience Plan (NRRP)

### 1. Borrowers

Micro, small and medium-sized private sector business entities<sup>1</sup> - companies, crafts businesses, sole traders, family farms in the VAT system, cooperatives and institutions that meet at least one of the following conditions<sup>2</sup>:

- Start-up entrepreneurs,
- Young entrepreneurs,
- Female entrepreneurs,
- Entrepreneurs investing in special areas of the Republic of Croatia (supported areas, hill or mountain areas, the islands),
- Entrepreneurs investing in the commercialisation of projects that are based on research, development and innovation (RDI).

Entities that belong to the category of companies in difficulties are not eligible to be the borrowers.<sup>2</sup>

A borrower must be established in the Republic of Croatia no later than before the disbursement of the loan.

### 2. Purpose of Loans

NRRP funds intended for the financing of investments in the Republic of Croatia as follows<sup>3</sup>:

- In green transition and/or
- In digital transition and/or
- In strengthening competitiveness and resilience.

A loan can be approved for the following purposes:

- Investment in fixed assets (tangible and intangible assets) with the aim of starting a business, modernising operations, introducing new technologies, increasing capacities (including tourism capacities), developing and introducing new products or services, digitalisation of business, investing in environmentally friendly production processes and resource efficiency, research and development etc.;
- Investment in working capital necessary for the implementation of investment and business growth of borrower: up to 30% of contracted loan amount.

Investments must comply with the Do No Significant Harm principle.<sup>4</sup>

<sup>1</sup> In accordance with the Recommendation of the European Commission 2003/361/EC of 6 May 2003 concerning the definition of micro, small and medium-sized enterprises:
